AN OFFSITE EVERYONE ACTUALLY PLAYS

Padel is **doubles only, underarm serve, and playable in ten minutes**. The walls keep the ball alive, so beginners rally instead of chasing. A coach starts your group with the rules and some practice shots, and thirty minutes later everyone is in a real match. No one has to be sporty, and no one ends up watching.

TEAM DAY

2 HOURS

Up to 32 players. Coach-led intro, then a round-robin so every pair plays every other pair. Sixteen play while sixteen rest and rotate in. Racquets, balls and court time included; add the upstairs lounge for food and drinks.

CLUB BUYOUT

EVENINGS AND WEEKENDS

Up to 200 guests. All four courts, the bar, the lounge and the mezzanine. Sixteen play at a time and rotate all evening while everyone else watches, eats and drinks. Coaches run the play, we staff the bar, and we can bring in a photographer.

CLIENT DAY

SMALLER GROUPS

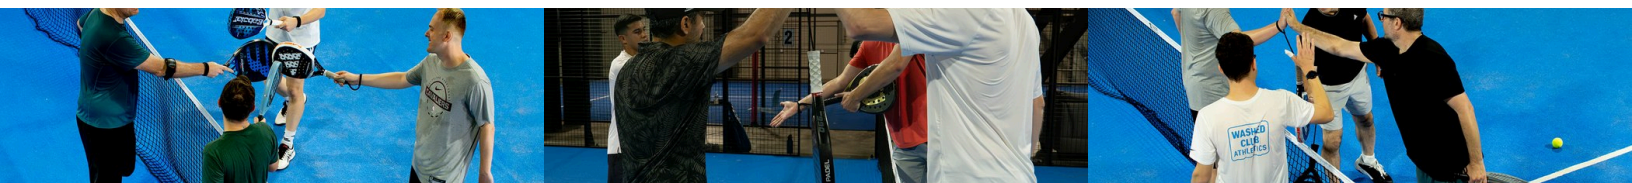

Two courts and the lounge for a client group or a board dinner. Quieter than a full buyout, still coached, still ends upstairs with a drink.

CORPORATE MEMBERSHIP

ONGOING

Transferable between named holders, with an extended booking window, a larger guest allowance, and use of the upstairs lounge for private meetings. Arranged directly.
