A SPORT THE WHOLE ROSTER CAN PLAY.

Four indoor courts in St. Johns, heated in winter and open from 6AM, so sessions fit before school, after practice, or through a rained-out afternoon.

HIGH SCHOOL PROGRAMS

EVERYONE RALLIES IN THE FIRST TEN MINUTES

Padel is **doubles only, underarm serve, and low-impact**. The court is a third the size of a tennis court and the walls keep the ball in play, so beginners rally straight away instead of chasing balls into a fence. A coach runs the rules and practice shots, and the group is playing real points inside half an hour.

TEAM DAY

2 HOURS

End-of-season socials, team-building, or a reward day for the whole roster. Coach-led, everyone on court, up to 32 players rotating through four courts.

OFF-SEASON CONDITIONING

WEEKLY BLOCK

Lateral movement, reaction work and hand skills for tennis, soccer and basketball athletes, indoors and out of the weather.

PE BLOCKS

DAYTIME, OFF-PEAK

Daytime court blocks at our quietest hours. A racquet sport where a mixed-ability class is all playing within one lesson rather than queuing for a turn.

BOOSTER FUNDRAISERS

EVENINGS

A parents-and-players evening at the club. You sell the tickets, we run the courts and the bar.

WHO THIS IS FOR Athletic directors · Head coaches · PE departments · Booster clubs · Parent associations

Sessions for under-18 groups are coach-supervised throughout. School waivers and supervision ratios are agreed with your athletic office before the first visit.
