A STRAIGHT TRADE BETWEEN NEIGHBORS

You give Foundry members a perk at your place, we give your staff and customers a standing discount on court time.

No money moves in either direction. Your offer goes into our member email, ours goes wherever suits you. And every night, players finish up hungry and thirsty a few blocks from your door.

THE TRADE

NO COST

Your staff and customers get money off court time. Our members get your offer by email. Both sides keep their own customers and neither writes a check.

CO-HOSTED EVENINGS

TWICE A YEAR

Your food and drinks, our courts. A social night that puts your product in front of a few hundred people who live and work within a mile of you.

BUYOUT CATERING

PER EVENT

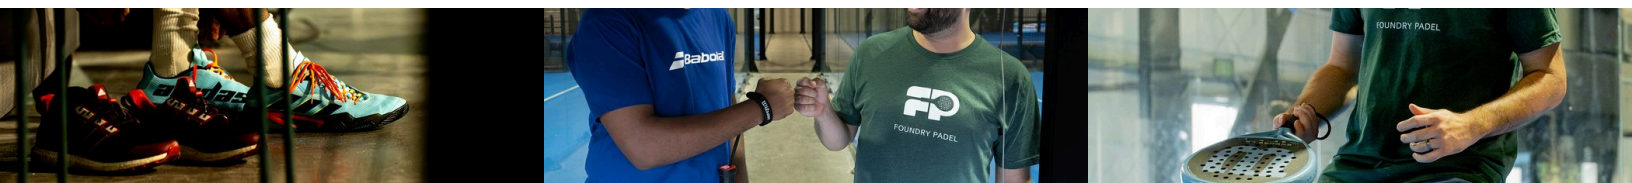

We host corporate buyouts of up to 200 guests who need feeding. Local partners are the first call when a client asks us to organize food.
