WHY PADEL WORKS FOR GROUPS

Padel is **doubles only, underarm serve, and playable in ten minutes**, and the walls keep the ball alive, so beginners rally instead of chasing. A coach starts every group off with the rules and some practice shots, and thirty minutes later everyone is playing a real match. That makes it the rare activity where a whole team, a whole street of shop owners, or a whole client list can play together on day one.

CORPORATE & TEAM EVENTS

Offsites, client entertaining, team socials and holiday parties, on court and then upstairs in the private lounge.

- Coach covers the rules and practice shots
- Everyone in a real match after 30 minutes
- Up to 200 guests on a full club buyout
- Racquets and balls included
- Upstairs lounge for food and drinks

LOCAL BUSINESS PARTNERS

- Nothing changes hands, you just trade perks

WHAT WE CAN PUT TOGETHER

FOUR WAYS TO WORK WITH US

TEAM DAY

CORPORATE

Up to 32 players, two hours. A coach starts the group off: the rules, the underarm serve, how the walls work, then practice shots. Thirty minutes in, everyone is playing a real match. Sixteen play while sixteen rest and rotate in, so a group of 32 keeps moving all session. Racquets, balls and court time included. No one needs to have held a racquet before. That is the point of the format.

CLUB BUYOUT

CORPORATE

All four courts, the bar, the lounge and the mezzanine, for up to 200 guests. Sixteen play at a time and rotate through all evening, while everyone else watches from the mezzanine, eats and drinks at the bar, or takes a turn on court when a slot opens. Take the whole place for an offsite, a launch, a client day or a holiday party. Coaches run the play, we staff the bar, and we can bring in a photographer. Best booked well ahead for evenings and weekends.

NEIGHBOR DEAL

LOCAL BUSINESS

Nothing changes hands. You give Foundry members a perk at your place, we give your staff and customers a standing discount on court time. Your offer goes into our member email, ours goes wherever suits you. Twice a year we co-host an evening: your food and drinks, our courts. And every night, players finish up hungry and thirsty a few blocks from your door.

SERIES SPONSOR

TOURNAMENTS & LEAGUES

Season-long, tiered. Title naming on a tournament series or league night, net and court-side signage, presence in every event comm, sampling or a demo table on finals day, and rights to the event photography. Supporting tiers available for a single event.

DROP-IN & MEMBERSHIP RATES

Corporate and partner memberships are arranged directly. They are transferable between named holders and carry an extended booking window, a larger guest allowance, and use of the upstairs lounge for private meetings and events. Memberships are capped at 100 on purpose: a club where members cannot get on court is not a club worth joining. **Event and sponsorship packages are quoted per booking.**
